Dear Ms. Lanners:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act (the "act"), chapter 552 of the Government Code. Your request was assigned ID# 121209.

The City of Dallas Police Department received a request for "[c]rime statistics regarding crimes reported at the Carlyle Apartments, located at 5750 University, Dallas" and "a list of all 9-1-1 calls to this apartment complex," during a specified time period. We believe that a prior ruling, Open Records Letter No. 98-2551 (1998) answers your questions concerning originating telephone numbers and addresses on 911 call reports. *See* Open Records Decision No. 649 (1996). You may rely upon Open Records Letter 98-2551 (1998) (enclosed) as a previous determination on this issue under section 552.301 of the Government Code, and thus need not ask this office again for a decision concerning these types of records. We assume the requested crime statistics, for which you have not raised an exception, have been released.¹

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous

¹As you have only submitted a representative sample of the requested records, we note that to the extent the responsive records contain confidential information, we advise you to exercise caution in releasing the information to the public. *See* Gov't Code § 552.352.

determination regarding any other records. If you have questions about this ruling, please contact our office.
